"Add It Up" is a 1983 track by the Milwaukee band Violent Femmes, made all the more famous by *Reality Bites* and *Tony Hawk* video games.

The five theme entries each represent a different number:

144 GROSS

*A term for 12 dozen things.*

0 GOOSE EGG

*Slang for zero.*

80 FOUR SCORE

*Score meaning 20 – just ask Honest Abe.*

180 ONE-EIGHTY

*A matter of degrees.*

10 BO DEREK

*Actress that played the "title character" in a movie named for a chauvinist's "perfect woman."*

If you "add it up" (it is, after all, the song of the "summer"), you get 414 – Milwaukee's celebrated area code.
